

# BRUCE WEBSTER

## FRONT-END DEVELOPER

Hi, I'm Bruce Webster. I'm an Italian and British citizen, and I'm a multilingual teacher and Front-end developer with a diverse background in education and programming. I discovered my passion for teaching in 2019 and for programming in 2020, specializing in web development with HTML, CSS, and JavaScript. I'm passionate about creating user-friendly web solutions and eager to collaborate with your company.

## EXPERIENCE

### LANGUAGE TEACHER

ACADEMIA DE LENGUAS

**2019 - 2020**

I taught English, Spanish, and Italian in the Dominican Republic, providing language instruction in this diverse and vibrant country.

### LANGUAGE TEACHER

SAPIENZA ACADEMY

**2020 - 2023**

### WEB DEVELOPER / FRONT-END DEVELOPER

FREELANCE

**2020 - PRESENT**

I have primarily worked with HTML5, CSS, and vanilla JavaScript, but I have continuously expanded my skill set by delving into technologies such as React, Next.js, and both relational and non-relational databases.
